

SRH University

We are looking for you: External Lecturer for GIS f/m/d

We are currently looking for freelance lecturers f/m/d for our Technology and Architecture for the subject of GIS in Berlin. For further information please feel free to contact: Prof. Dr. Michael Hartmann | Tel.: +49 30 515650 829 | michael.hartmann(at)srh.de

What you can look forward to:

- University Environment | Dynamic and flexible teaching environment at a growing, international and future-oriented university
- Teaching | Independent organization of teaching
- Campus | Beautiful, easily accessible campus
- Facilities | Modern classrooms and the latest technology

Your responsibilities:

- Teaching a Master-level course in Geo Information Systems and Spatial Data Applications
- Preparing and delivering approximately 50 contact hours of on-site teaching•
- Covering topics such as spatial data management, spatial analysis, geospatial modelling, hydrological modelling, geostatistics, cartography, geocoding, spatial ETL and GIS data mining
- Providing practical application of GIS tools, especially ArcGIS and QGIS
- Supervising practical exercises and supporting students in applying GIS methods to environmental and engineering-related use cases
- Academic responsibility for the examination, assessment and grading of student performance

Your profile:

- M.Sc. in a relevant field or equivalent
- Full professional proficiency in English
- Valid working visa (contract not eligible for visa sponsorship)
- Experience in teaching or practical industry work in areas such as GIS, spatial data analysis, geospatial modelling, geostatistics, hydrological modelling, spatial ETL, or cartography• Practical experience with ArcGIS and/or QGIS•
- Willingness for on-site teaching

Any questions? I'm happy to help:
